## Thank You FOR YOUR REFERRALS in 2017

Our firm receives many new clients as a result of referrals from clients and other friends of our firm. We would like to thank everyone who refers friends and family to our firm. We appreciate the trust and confidence you show in us by making these referrals. Thank you for recommending us when someone you know needs legal help. We welcome and encourage referrals..... Kalfus & Nachman

### "What are our referrals saying?"

My father referred me to Kalfus and Nachman. They were great. My attorney, Christopher Jacobs, was great in communication with me about the status of my case. His communication and quick return of calls was nice. He analyzed my case and advised me well. I will be sure to refer anyone I know to him as the services I received were top notch. Their receptionist, Ella, was kind and inviting when I was greeted as well.... Drew Brower
